Dear Friends,

We acknowledge with thanks the receipt of contribution collected by your group and sent to us through ICICI bank.

This support is of great value to us and we deeply appreciate the same.

We are thankful to all members of DISHA for this support. From our side we would like to make the best use of this contribution with a proper recognition.

We have two options

1. This amount can be used for feeding about 400 people thrice a day for 15 days. We can furnish to you copies of invoices for purchase of groceries, vegetables etc., and also a few photographs of feeding for your records.
2. Akshaya Home project is in progress. Already two blocks each of 2500 sq.ft are almost nearing completion. About 30% of work is completed in the III block. Work has started in the IV block. A donor has indicated support for the V block.

With this situation we are in a better position to plan the other requirements of the Home. We are looking into the possibility of identifying a specific area for which we can give credit to DISHA. Details are being worked and in the next fortnight or so we may be able to share with you.

Once these details are available you can exercise your choice and we will implement the same.

We reconfirm that your entire donation will be properly and fully used exclusively for the committed purpose and you will be provided with full documentation.

We thank you for your support and will be happy to furnish any additional details you may require.

Yours Truly,
For Akshaya's Helping in H.E.L.P. Trust
